

Keeping America Cool Since 1952

5 x 9 Pallet Load Merchandiser

**Also available with Solid Doors for outdoor applications*

Capacity

- 220 Cubic Feet (approx)

Outside Dimensions

- Width 56"
- Depth 108"
- Height 83"

Attributes

- Door opening: 45"W x 74"H
- Auto Defrost: 1,640 lbs.

Standard features:

- Water-tight lock-form seam construction for a stronger and more durable cabinet with all steel construction.
 - Premier quality construction with the straightest edges and minimal foam bleed.
 - 'Box Frame' constructed for optimal strength and increased resistance to freight damage.
- Indoor units are fitted with large, triple pane, tempered safety glass doors.
- 70% more open air channels than other brands to provide air flow.
- Two-part acrylic polyurethane coating offers mid-range gloss and excellent weather ability. Epoxy primer formulated to have excellent adhesion and corrosion and humidity resistance.
- PVC bottom skid plates for non-marking of floor surfaces.

- Door openings feature high impact vinyl breaker strips to provide better impact resistance and greater durability to handle harsh conditions.
- Easily accessible refrigeration service valves.
- Low temperature sealed condensing units.
- Drop-down unit cooler allows ease of service.
- Now featuring electronic controls.
- LED interior lighting.
- Packaged with non-marking corner protective V-boards and dust cover for dirt/debris protection.

Options

- Customized exterior paint, logos and wraps
- Blue "ICE" decals

- Call for additional options! (800)-766-5337

We maximize efficiency in our efforts to be **Green**

- 4" floor insulation and 3" ceiling and wall insulation for increased R value over other brands
- Leer merchandisers meet Department of Energy (DOE) energy conservation standards
- Recyclable shipping materials
- Reduced operating costs - up to 30% energy savings over other brands
- NSF Approved indoor and outdoor units now available

Leer has been designing, building and improving ice merchandisers since 1952. We keep a large inventory of finished goods and replacement parts on hand at all times. Over 50 models of merchandisers, including cash-less self-vending machines are available from stock and through our distribution partners.
